Information for a Lifetime

Ever wonder, "How does God think?"
Now you can have a glimpse into the
greatest mind in existence – God.

The 156 Levels of Consciousness
reveals how the God-Mind state works,
and how you can be more aligned with
it. Through the next 15 years of this
continuous program, AA Haniel will
reveal information that has not been
available to humanity until now. Each
month AA Haniel will read directly from
the Higher Akasiac records revealing
life-changing techniques for you to live
at your Highest intent, truly becoming
the Master of your life.

Angelic Ceremony for Becoming Visible – Final Date

If you have had limited success in your business and personal ventures, no matter how hard you have tried, then you are most likely still attempting to live a “low profile” life to some degree. In order to protect our privacy, we forget that the message we are giving the Universe is to ‘keep away from me’. We end up hiding more of ourselves from the world than we realize.

The **final** date of this ceremony will be **Dec. 13** at 7:30-8:30, at our home for a love donation. After Dec., this ceremony will be performed by special request, only. Please call our office to reserve your spot.

WHAT IN THE WORLD IS GOING ON?

Rest assured that our world is not in a downward spiral. Currently, the Earth's energies are increasing dramatically. This is causing all of our negative emotions to be ‘pushed’ to the surface of our consciousness to come out of hiding. Once they are at the surface, they can be dissipated forever with these high vibrations on Earth.

On Nov. 29, 2008, the 15 activated core crystals in the Earth will raise their vibrations to the level of the 16th core crystal. When this happens, our DNA goes through a shift to be in harmony with this energy. Watch for changes in the color of your iris as this confirms the DNA shift within you! Try not to make any big decisions on that day, and relax as much as you can. After the 29th, be kind to yourself and your body as you have just experienced a wonderful shift!

2009 SCHEDULING

We will be scheduling private sessions with Audrey for 2009 at the end of this month.

Audrey will be teaching Psychic Classes beginning in February 2009. In these classes she will teach beginning, intermediate, and advanced skills. In these classes, you will have an opportunity to gain skills at speaking with your own Angels, developing trust in receiving accurate messages for yourself and others, and discover hidden abilities. Each class level will be a 6-week course. If you are not able to attend in person, recordings and transcriptions of each class will be sold on our website. Please watch for more information on our website in December.

Audrey is excited to offer you this empowering information! In order to allow time in her schedule for teaching, she will be scheduling private sessions on a quarterly basis.

Thank you for your patience!

WHAT'S NEW?

Haniel Live via Webcam!

We are currently investigating the possibility of going live via webcam with the Sunday Haniel sessions. This live webcam cast will be sound and picture!

We will do a test run in Nov. If everything goes well, and Haniel doesn't “blow-up” the computer, we will set the first live channeling for the Dec. session.

Please check your emails in early Dec. for an update.

Registration for Audrey's Psychic classes will begin in Dec. Please check our website for more information.

The fabulous Sharon Walker - Healing Facilitator is in town from 11/17 to 11/21. She will be teaching a class on Mandala of Your Life on 11/22 at our home. Space for the class is limited so please reserve early. Please call our office for appointments and reserving a place for class.

Check out our new looking website! It is much more “user-friendly”, with more information and new products added each month.

New Reiki classes and Awakening Light Body classes will be held in 2009. Please check our website for more information. These classes fill-up quickly, so please register early.

Thank you!
