Now you can have a glimpse into the

Angelic Ceremony for Becoming Visible

If you have had limited success in your business and personal ventures, no matter how hard you have tried, then you are most likely still attempting to live a "low profile" life to some degree. In order to protect our privacy, we forget that the message we are giving the Universe is to 'keep away from me'. We end up hiding more of ourselves from the world than we realize.

The next date of this ceremony will be **Nov. 15** at 7:30-8:30, at our home for a love donation. Call to reserve your spot.

WHAT IN THE WORLD IS GOING ON?

With so much fear in the world, from the economy, to the elections, to worldly unrest, it can be very difficult to remain positive. Each day we are challenged to keep our vibrations high enough to support a healthy and prosperous life. Yet at the end of the day, we can be exhausted. Our usually high energy is depleted tremendously. All of this depletion can take its toll over time making us sick, intolerant, and financially in debt. Each day we deal with individuals who are just as bad, or even worse off, than we are.

Rest assured that our world is not in a downward spiral. Currently, the Earth's energies are increasing dramatically. This is causing all of our negative emotions to be 'pushed' to the surface of our consciousness, and come out of hiding. Once they are at the surface, they can be dissipated forever with these high vibrations on Earth. After Nov. 29, 2008, there are good times ahead, and we should see much of this disruption calming down. Our depletion of vibrations will heal.

2009 SCHEDULING

We will be scheduling private sessions with Audrey for 2009 in the next 30 days.

Audrey will be teaching Psychic Classes beginning in February 2009. In these classes she will teach beginning, intermediate, and advanced skills. In these classes, you will have an opportunity to gain skills at speaking with your own Angels, developing trust in receiving accurate messages for yourself and others, and discover hidden abilities. Each class level will be a 6-week course. If you are not able to attend in person, recordings and transcriptions of each class will be sold on our website. Please watch for more information on our website in the coming weeks.

Audrey is excited to offer you this empowering information! In order to allow time in her schedule for teaching, she will be scheduling private sessions on a quarterly basis.

Thank you for your patience!

WHAT'S NEW?

We have just been given 11 new activation symbols from AA Haniel!

Watch for these new symbols on our website as new stamps like the Activation of Divine Flow stamp we have now.

These stamps are a great way to activate manifestations in your life easier. Simply write a list of what you want to manifest, and stamp the paper with the appropriate symbol! Easy!

These symbols will activate the Divine action into your life between 2 days and 2 months, depending on how strong your intention is.

Currently, the drawings are being cleaned up for printing. We anticipate production of the stamps in about 1 week. Each stamp will be \$18.

Have fun!
