New Beginning

Today you will have an opportunity to witness the process of Archangel Haniel fully manifesting through Audrey. Over the past month Audrey has gone through more than 27 Angelic ceremonies and channeling of Haniel to prepare her energy for today.

This is a rare event, as Archangels do not reveal themselves to the public in general. Haniel's intention for revealing herself now, is so that we may know our own beauty and magnificence through her image.

The development of her image will continue to grow over the next 12 months, as Audrey is able to hold more and more of Haniel's energy. In today's session, the room will take on a pink hue, which may sparkle a bit. You may also see the outline of Haniel's 57-foot body sitting around Audrey in a meditation position. During the session, Haniel will anchor her energy into everyone in the room. Enjoy this energy as it is assisting your own Life Force energy to grow stronger, and can assist in healing overall.

We are asking everyone to not leave today until you are assisted by the volunteers in the blue shirts to ground your energy.

Audrey is very honored to have you here today to participate in this most wonderful event!

WHAT IN THE WORLD IS GOING ON?

Last month AA Haniel informed us that there is a very special date coming up this month. This date is August 23. On this day, negative thought will finally be de-magnetized from this planet.

According to AA Haniel, over many centuries negative thought had become "polarized" on this planet. As a result we are magnetically drawn into negative thinking of blame, shame, guilt, anger, and hatred. She said that all of our prayers for peace on this Earth are the miracle assisting the Angels to create this energetic shift.

From midnight August 22 (the beginning of Ramadan) to midnight August 23, the de-magnetizing will be taking place. For most of us that have been working on staying in positive thought, this will be simply another day. However, for those whose consciousness is based in negative thought, this will be a very difficult day indeed. Negative thought may erupt from these individuals because of this shift, and because there is no more energy to sustain such a consciousness.

Please know that your prayers are not only powerful, they are creating miracles on this Earth. Keep up the good work!
