WHAT IN THE WORLD IS GOING ON?

This year in Numerology is an "11" year. The meaning of this number carries the energy of spiritual inspiration and recognition of the connection to the Divine. entire belief system is being challenged by their Higher Selves. Your Higher Self knows, beyond the wounded ego, what is really truth for you. If you have adopted information that is no longer serving you, your Higher Self will encourage you to make the shift to the Higher truth for your journey. Sometimes this higher truth conflicts with your comfort zone.

We are all being called upon to become the highest of who we really are. Our Higher Self is like a 'life coach' assisting us to get there by assuring us that we will not fail, even when we think we will.

Breathe, and listen to your small still voice within, and you will live a most joyous life indeed!
