New Beginning

Today you will have an opportunity to witness the process of Archangel Haniel fully manifesting through Audrey. Over the past month Audrey has gone through more than 27 Angelic ceremonies and channeling of Haniel to prepare her energy for today.

This is a rare event, as Archangels do not reveal themselves to the public in general. Haniel's intention for revealing herself now, is so that we may know our own beauty and magnificence through her image.

The development of her image will continue to grow over the next 12 months, as Audrey is able to hold more and more of Haniel's energy. In today's session, the room will take on a pink hue, which may sparkle a bit. You may also see the outline of Haniel's 57-foot body sitting around Audrey in a meditation position. During the session, Haniel will anchor her energy into everyone in the room. Enjoy this energy as it is assisting your own Life Force energy to grow stronger, and can assist in healing overall.

We are asking everyone to not leave today until you are assisted by the volunteers in the blue shirts to ground your energy.

Audrey is very honored to have you here today to participate in this most wonderful event!

WHAT IN THE WORLD IS GOING ON?

Currently we are preparing for a "Critical Mass Shift" in consciousness dissolving our "reactive personality". According to AA Haniel, we are experiencing three plateau levels during this shift. The first level began on May 17 to June 8. The second plateau will be August 12 to September 18, and the third plateau is yet to be known.

The plateau period allows us to integrate the growth we experience during the shifting consciousness periods. This shift is so massive for humanity that we will all need time to integrate this shift in our personality.

As you are releasing the old wounds of the reactive personality, life can be confusing and vulnerable. Your Higher Self is assisting you to remember that you are safe without holding onto the old wounds as a form of protection. This can be a very difficult period for the individuals who resist this change, and they may decide to make their transition out of this life.

Remember, your journey is sacred, perfect, and the only journey that you can take. Remember your light, be in Divine guidance, and all will flow in your life.
