Sacred Pipe Ceremony

Sharon Walker, a traditional Medicine Pipe Carrier, will be performing this sacred ceremony for us.

This inspiring, and unforgettable ceremony focus's the smoke of the pipe as a magnification for the prayers, healing, and manifestation of the participants. Sharon will explain the procedure and protocol of the ceremony. Only the purest of tobacco is used during the ceremony. There will be a Passing Pipe for the participants, but you are not required to smoke the pipe.

The ceremony will be held at the home of Audrey and Leif on May 30 at 7:00 pm. If you would like to attend, please R.S.V.P. by calling the Hanson's at 303-524-9862. A "love donation" to Sharon is appreciated. Please wear warm comfortable clothes, as we will outside for the entire ceremony. Sharon asks you to keep the sacredness of the ceremony by not partaking of alcohol or drugs 24 hours before the ceremony.

We are excited to have you join us!

WHAT IN THE WORLD IS GOING ON?

According to AA Haniel, we are currently preparing for another 'critical mass shift' throughout collective consciousness. This shift began with the activation of the 16th Core Crystal back on March 4th.

This shift in consciousness is about the dissolving of the "reactive personality" within us. Since the reactive personality is an expression of old pain, our new higher vibrations cannot sustain this part of our personality any longer.

This shift is so massive for humanity that we will all need time to integrate this shift in our personality. As a result, there will be 3 plateaus of growth for this integration time. The first plateau begins today, and will continue for the next 23 days.

During the next 23 days, you can witness your live moving forward, finally. The general attitude of others can be more cooperative, with clearer communication while keeping calm during stress.

AA Haniel will let us know when the next plateau period will be. More info in June!
