

Prayer for Divine Disconnection

Thank you God for divinely disconnecting anyone and anything that has become connected at any level of my being that is not a Divine connection. Thank you, God, for returning all of this energy back to the Light.

Thank you God for divinely disconnecting all of my energy which has become connected to anyone or anything which is not a Divine connection. Thank you, God, for cleansing my energy through the Divine Golden light of God and returning my energy back to me.

Thank you God for now cleansing, clearing, repairing, resealing, and refilling my energy with the Golden Light of God.

And so it is done.

Amen.
