

## **Prayer for Divine Justice**

*God bless me, and all that I claim to be mine. Thank you God for surrounding all that I ask in Divine White Light of protection, and surrounded by the four Archangels – Michael, Gabriel, Raphael, and Uriel.*

*God bless (name of the other person, persons, or situation involved). Thank you God for surrounding all of (the person, persons, or situation) with Divine White light.*

*Thank you God for placing myself, (name of the other person), and (situation) in the very center of the Christ Consciousness energy, and keeping all that I have mentioned in this center until there is Divine Justice through Divine Intervention, bringing Divine Resolution and Divine Conclusion in peace, and harmony for myself and all concerned.*

*And it is done, and it is complete, and so it is.*

*Amen*
