

## **Prayer of Personal Value**

*Today I walk with you God,  
And each step is my blessing,  
As I move through my life.  
I move with my grace divine.  
I am after all my magnificent light.  
I am formless and I am also form,  
I have weight but no structure,  
I am boundless by my essence.  
I take with me now remembrance of my true essence  
and surrender false condemning of myself.  
I walk in my blessings,  
I receive miracles,  
I am the light unique.  
I always have been and I always will be,  
and so it is done and I am complete in these words.*

*Amen.*
