

Tithing Prayer

God bless me and all my life.

Today and every day

I receive all of my good from the generous Universe.

*I am abundant in joyful relationships,
successful business, prosperity and health!*

I am Divinely guided daily

with every thought, word, decision, and direction

so that I remain in Divine synchronicity with all of my good.

As I give the gift of the \$_____ today,

I also receive all of my gifts everyday from the Universe.

*Thank you, God, for the generosity of the Universe
and my abundant life now.*

And so it is done.

Amen.
